

Students have access to online resource tools to support their learning of geometry, including an **entire version of the textbook online!** Here is a description of how to access these features and create your own student account. You do need to have your book with you to create a student account.

1. Go to the website: [www.classzone.com](http://www.classzone.com)
2. There are 3 steps that appear on the screen:  
Step 1: Select Subject (Math High School)  
Step 2: Select State (Pennsylvania)  
Step 3: Find Your Book (**Geometry 2011** - a rock climber on the cover)
3. After selecting the textbook Geometry 2011:

**\*\*\* You have lesson help and activities for each chapter appear on the screen**

Choose **ONLINE BOOK** at the bottom left of the screen.

A new window will open to sign in. Click "Create a student account."

You will need to put in an activation code to proceed. **Activation Code is 6008392-30**

To create the account, you will need to enter some information

Student Access Code is the Book ISBN #  
(which is on the back cover of the book)

**ISBN is 9780547315300** (10 digits after the ISBN)

Your name, birthday, username, password

Choose "Submit"

**\*\*\*\*** After creating an account, you should be able to just go to the website and enter your username and password
